bed time snack, but they leave empty
milk glasses and sticky jam knives in
the kitchen. In the morning washing
these items is quite a chore. Do you
know of some way to clean cloudy
glasses and gooey knives?A. Yes I do. If you soak glasses and
other utensils which have been stand-
ing for a long time in a baking soda
solution — 3 tablespoons soda to one
quart warm water — then wash in
lukewarm suds, you'll find milk rings
quickly vanish, stuck on bits of jelly
removed.**WE CAN GIVE YOU IMMEDIATE AND COMPLETE SERVICE**We have a full staff of factory
